

**FISH & WILDLIFR SERVICE PROPOSED RULE ON IVORY SALES
HOW TO COMMENT**

Comments can be filed a number of ways, but the easiest is to file electronically at www.regulations.gov.

In the Search Box, enter the Docket Number for the rule: FWS-HQ-IA-2013-0091.

Click on “Comment Now” and enter input your comments directly or attach a document which you have previously prepared.

Although it is possible to file comments anonymously, comments may carry more weight if the sender is identified. Note your name, your business name and how you relate to the proposed rule, e.g., as a seller of vintage guitars, seller and repairer of pianos, etc.

Comments also carry more weight when they are original, not merely form letters which are fairly easy to spot. You can use the NAMM comments as a guide, or you could reference the NAMM comments and state that you endorse them and agree with the points made.

All comments are publicly-available and will be placed on the above website, where previously-filed comments may also be viewed.

Deadline for comments is Monday, September 28.
