### Music education makes the whole world better.

Here at Larry's Music, we're dedicated to being advocates for music education, be it through our school band programs, through private lessons in our store, or by our knowledgeable staff. Music education is the key to better learning, better living, and a more fulfilling life. We work hard to find the best teachers in the area and to maintain a warm, inviting, professional lesson environment.

Music Lessons are a fun and important part of the learning process, whether you're a beginning player just starting on your musical journey, an intermediate hobbyist looking to reach the next level, or an advanced player adding to your skill set. Our Teachers are dedicated to teaching you not just the fundamentals of the instrument you've chosen, but also the style of music you're interested in.

#### Planning for lessons, what you need to know.

Our students are busier now than ever before with after school activities, sports, and trips. We appreciate the needs of your family. It's important to us to provide our students with instructors they can count on, and monthly tuition ensures your time slot is held for you and that your instructor is here, whether you make it or not. Our instructors also need an income they can count on so we can keep such great instructors on staff.

Lessons are \$75 monthly tuition. We do not pro rate tuition, credit tuition for missed lessons, or offer make ups. Lessons are billed via credit card on the 1st of the month. Friendly service. Outstanding people. Took an old guitar there to have it checked out before using it for lessons at school. They put new strings on it, cleaned up the fretboard, and had it tuned in less than 20 minutes. Great service. I will definitely go there again!
