Her sound is a blending of folk, blues, jazz and pop with a little country. Chris Top of the WBOA Radio Network said, "She is one to watch. She does it all." In May 2015, she was selected to perform at the NAMM She Rocks Showcase in Nashville and again at the 2017 Summer NAMM show. She released her EP, "Clear," in the spring of 2016. It included a single with Tom (Cheap Trick). Her first full album, "I Wonder," was released in January 2017.
