

# 2022 Customization Opportunities

Create a unique environment to best display your product and emphasize your messaging while at The NAMM Show. Collaborate with a Freeman Consultant to incorporate optional Customization Opportunities to appoint your Exhibit Floor Meeting Room to meet your NAMM Show Objectives.

# 2022 Customization Opportunities

Customization opportunities are available to enhance your Meeting Room to maximize your product and messaging goals. In collaboration with your Freeman Representative, incorporate the Customization Opportunities to create the optimum environment.
